of Brady and his pals. It is stated that President Arthur intends to urge the vigorous prosecution of these cases and to this end will retain Post-master-General James in his cabinet. The country will be glad to hear this. Postmaster-General James has already done invaluable service to the Government in exposing the infamous processes of plunder and, robbery practiced by this nefarious ring, and claims to have the very best evidence of false swearing practiced by its co-conspirators as to the service performed on phantom mail routes.

It strikes us the government has a good case against this ring and President Arthur has a golden opportunity to substantiate that respect dental advent into the Chief Magisunflinching prosecution of this ville Republican: band of public plunderers.
